<p>3. Good hygiene for clients and customers</p> <ul style="list-style-type: none"> • We will ask all clients to make appointments in advance (not applicable at current stage) • We have installed signage reminding everyone of these requirements and obligations for good general health • We have sanitiser set up in key touch point locations • Customers will be provided with a flyer outlining the requirement to clean purchases at home 	<p>Signage on church doors and within church:</p> <p><i>Before You Enter.pdf</i> <i>Shop Safe.pdf</i> <i>Worship Safe.pdf</i> <i>Cleaning Purchases Flyer.pdf</i></p>	
<p>4. Social distancing</p> <p>Social distancing is one of the best things we can do to stop the spread of coronavirus. Whenever and wherever we can, this protocol will be applied, including:</p> <ul style="list-style-type: none"> • Placement of social distancing markers on the floor in the Boutique where customers line up or where volunteers perform tasks. • Boutique manager monitors to ensure everyone is keeping the required distance from each other • Service counters and worship area set up to support social distancing requirements • Furniture arrangement will support social distancing requirements • Face to face meetings to be replaced with Zoom or phone calls • There will be no physical greeting of the peace in worship services 	<p>Signage on church doors and within church:</p> <p><i>Before You Enter.pdf</i> <i>Shop Safe.pdf</i> <i>Worship Safe.pdf</i> <i>Social Distance Poster.pdf</i></p> <p>Communion Procedures</p> <p>Volunteer Procedures Notice</p>	<p>Keeping your distance poster: https://www.health.gov.au/sites/default/files/documents/2020/03/coronavirus-covid-19-keeping-your-distance.pdf</p> <p>Physical distancing checklist: https://www.safeworkaustralia.gov.au/sites/default/files/2020-04/COVID-19-Physical-Distancing-Checklist.pdf</p>
<p>5. Building entry and exit protocols</p> <p>Social distancing considerations are applied when anyone enters and exits the church premises.</p> <ul style="list-style-type: none"> ▪ Sanitiser is made available at all entry/exit points ▪ Doorways will be cleared of furnishings to ensure free flow of movement

<p>7. Cleaning</p> <p>We recognise that cleaning is an essential part of disinfection because dirt and grime can inactivate many disinfectants. Cleaning reduces the amount of dirt and so allows disinfectant to work. Removal of germs such as the virus that causes COVID-19 requires thorough cleaning followed by disinfection.</p> <p>As such, our service has developed a cleaning program that has taken into consideration touch point locations and other cleaning needs.</p> <p>Cleaning Plan:</p> <ul style="list-style-type: none"> • Thorough commercial clean at St Barnabas each Monday afternoon, including: <ul style="list-style-type: none"> ○ Vacuum carpet ○ Mop all floors (kitchen, community room, bathrooms, Boutique) ○ Kitchen surfaces ○ Bathroom • Weekly clean at St Michael’s per roster. • Additional commercial cleaning to be arranged after special services. • Beryl Pedvin will ensure surfaces are cleaned and sanitised during and after each Boutique opening, or restocking • Greeters and Wardens will ensure all worship items and surfaces are cleaned after worship • Prayer books will be wiped down with disinfectant and used only once in 7 days. • Tongan congregation will clean all used areas after their service. 	<p>Routine environmental cleaning information</p> <p>Greeters duties Appendix 4</p>	<p>Retail cleaning: https://www.safeworkaustralia.gov.au/covid-19-information-workplaces/cleaning-prevent-spread-covid-19</p> <p>Cleaning checklist: https://www.safeworkaustralia.gov.au/sites/default/files/2020-04/COVID-19_Cleaning-Checklist.pdf</p> <p>Safe Work Australia https://www.safeworkaustralia.gov.au/covid-19-information-workplaces/industry-information/general-industry-information/cleaning</p>

<p>8. Handling second-hand goods and infection control</p> <p>According to the World Health Organisation, it is not certain how long the COVID-19 virus can survive on surfaces. Reports and studies are telling us that time can vary from a few hours to several days, depending on the type of surface.</p> <p>In line with this, we take reasonable precautions by:</p> <ul style="list-style-type: none"> - Limited clean donations (small quantities) will be accepted by discretion and only during Boutique opening hours - Donations will be stored for one week prior to sorting and/or sale - Wearing gloves and masks when handling donations where required - Only accepting items (clothing, manchester and soft furnishings) that are in good usable condition - Cleaning children’s toys with a disinfectant solution - Wiping down shoes, accessories, handbags, books and homewares with a disinfectant solution - Washing our hands with soap and water or use an alcohol-based sanitiser after handling second-hand goods - Avoiding touching our eyes, mouth and nose <p>We encourage our customers to also implement infection control procedures with all items that they purchase. At are counter areas we display information to promote this action.</p> <ul style="list-style-type: none"> - Clothing will be quarantined for one week after customers tries on - A ‘Returns Table’ will be set up for customers to leave items tried on or handled so that they can be cleaned or quarantined before return to shelves - Customers who bring their own bags will be asked to pack them themselves 	<p><u>COVIDSafe cleaning information for your purchases</u></p> <p><u>Greeters duties Appendix 4</u></p>	<p>NSW Health COVID 19 – Frequently asked questions</p> <p><u>https://www.health.nsw.gov.au/Infectious/covid-19/Pages/frequently-asked-questions.aspx</u></p>

<p>9. Money handling</p> <p>Where possible, we encourage contactless payment. If handling cash, all workers/volunteers are diligent about washing their hands and not touching their face.</p> <p>A retiring offertory bowl will be provided at services. The collection plate will not be passed amongst the congregation.</p>		
<p>10. Vulnerable people</p> <p>We acknowledge that some people (clergy, congregation, volunteers, customers and visitors) may be at greater risk of more serious illness with COVID-19 and we undertake measures not to put these people at risk.</p> <p>These include:</p> <ul style="list-style-type: none"> • Aboriginal and Torres Strait Islander people 50 years and older with one or more chronic medical conditions • People 65 years and older with one or more chronic medical conditions • People with compromised immune systems <p>Where a vulnerable person is identified in our community, we will risk assess each case and provide options for safely contributing, if possible. This can include Boutique sorting providing they are well, and social distancing and personal hygiene are observed.</p> <p>Volunteers and clergy identified as ‘Vulnerable people’ will not work in Barney’s Boutique while it is open to customers.</p>		<p>Vulnerable people:</p> <p>https://www.safeworkaustralia.gov.au/covid-19-information-workplaces/industry-information/general-industry-information/vulnerable</p>
<p>11. Parish Office</p> <p>To ensure our workspaces are set up appropriately:</p> <ul style="list-style-type: none"> • No more than two people at any one time in the parish office. • Users will clean and disinfect high touch surfaces, including phones, desks and keyboards at the end of use each day.

<p>12. Providing 1:1 support to clients and customers</p> <p>To ensure our workers/volunteers are prepared and have the PPE equipment required to support our clients we:</p> <ul style="list-style-type: none"> • Require all face to face workers participate in infection control training • Implement PPE protocols 		<p>Health Department training: https://www.health.gov.au/resources/apps-and-tools/covid-19-infection-control-training%C2</p>
<p>13. Incident management</p> <p>We understand that where we have staff or volunteers at a location in Australia, it is classified under Work Health and Safety laws as a workplace. Therefore, if anyone within our workplace, whether they be clergy, staff or volunteers, suspects that they may have the virus, or has been exposed to it, the Priest in Charge must be notified immediately, and the incident reported.</p> <p>Our process for a COVID incident notification is:</p> <ol style="list-style-type: none"> 1. Notify the Priest in Charge immediately 2. Secure the site as outlined on the Safe Work Australia information sheet process 3. Complete an incident report immediately 4. Work with ADS on the appropriate government notification 	<p>Incident report</p>	<p>What to do if a worker has COVID 10: https://www.safeworkaustralia.gov.au/doc/what-do-if-worker-has-covid-19-infographic#picModal</p>
<p>14. Monitoring our worksite</p> <p>To assist in monitoring for areas for improvement:</p> <ul style="list-style-type: none"> • The Boutique Manager and Priest in Charge will champion safe practices in the workplace and others the proper procedures listed above. • External hirers of the building will need to provide a COVID Safe plan and return a compliance checklist at the end of the hire. • A daily compliance checklist will be completed whenever the building is used for worship, group activity, Boutique opening, private hirers • Report all non-compliances or hazards as they are identified 	<p>Checklist/Audit template</p> <p>Hazard form</p>

Appendix 4: COVID 19 duties for Greeters

Thank you for taking on this important role in keeping our church safe and healthy!

Each Sunday can you please:

1. Ensure there is hand sanitizer, and everyone uses it as they enter

2. Take a record of who is entering.

- If a name is on the list, you only need to tick them off.
- If they are not on the list you need to record their name, phone number and address. (You can reassure them that these details will only be used for contact tracing. But they can agree to be added to the parish roll).

3. Keep a good count of how many have entered.

The maximum number of people in the building **including clergy** is:

- St Barnabas 31
- St Michael's 17

If we reach the limit, please let the Wardens and/or Minister know ASAP.

4. Seating

Please help people find a seat if needed:

Seats at St Barnabas have been arranged for social distancing.

At St Michael's:

- every second pew needs to remain empty
- only two non-related people in one pew.

5. Books

Please encourage people to leave prayer and Hymn on their seats after the service. This makes them easier to clean.

6. Offertory

There will be no offertory hymn or collection from the congregation during the service. A retiring offertory bowl will be set up near the altar.

Routine environmental cleaning and disinfection

Information

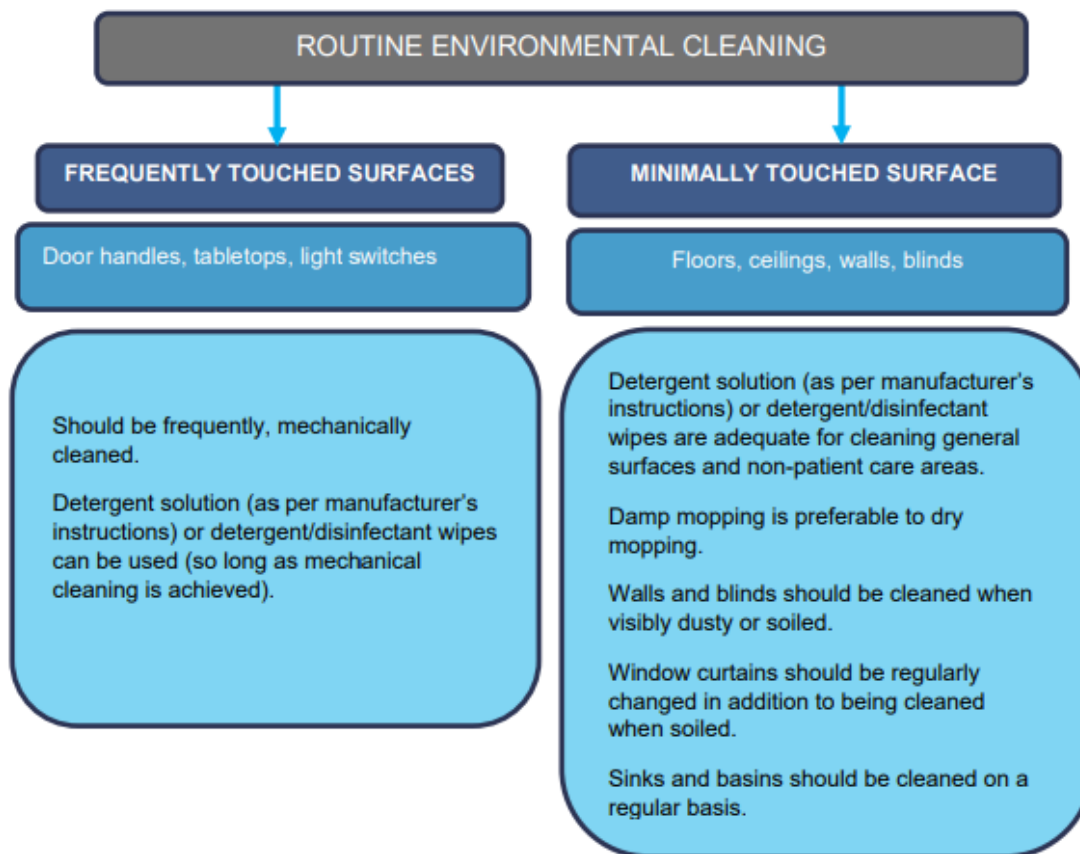

Cleaning is an essential part of disinfection because dirt and grime can inactivate many disinfectants. Cleaning reduces the amount of dirt and so allows the disinfectant to work. Removal of germs such as the virus that causes COVID-19 requires thorough cleaning followed by disinfection.

The length of time the virus that causes COVID-19 can survive on inanimate surfaces varies depending on factors such as the amount of contaminated body fluid (e.g. respiratory droplets) or soiling present, and environmental temperature and humidity.

Coronaviruses can survive on surfaces for many hours or more but are readily inactivated by cleaning and disinfection. It is good practice to routinely clean surfaces as follows:

- Clean frequently touched surfaces with detergent solution (see diagram below).
- Clean general surfaces and fittings when visibly soiled and immediately after any spillage

Routine environmental cleaning requirements can be divided into two groups:
